

# Help Build Chicago's Next Left!

More than just an organizational newsletter, *New Ground* provides news about a broader left in Chicago. One that is engaged in meaningful politics. One that includes DSA as a significant part of coalitions for justice.

**You** can help build Chicago's democratic left. Take an ad in the Labor Day issue of *New Ground*. Express your solidarity to an audience of labor and community activists, academics, retirees and even a few politicians in Chicago, in Illinois and across the nation while helping Chicago DSA build its part of the "next Left".

Send hardcopy (black and white) or send the text of your ad and we will lay it out. We can also accept ascii text, GIF, JPEG, TIFF and PCX (among other formats, though we do not recommend PDF or EPS; people often forget to embed the fonts used and we're increasingly encountering language incompatibilities) computer files via email, CD, floppy or Zip, though these are best backed up by hardcopy. If you do send camera-ready copy, please take care not to fold it. Questions? Call (773) 384-0327 or email [chiildsa@chicagodsa.org](mailto:chiildsa@chicagodsa.org).
